**Learning Today,
Leading Tomorrow**

Mr. Frank House
Superintendent of Schools
315-686-5578 x1555

The Thousand Islands Central School District offers a world-class education to 1,050 students K-12. The District runs along the first thirty-six miles of the mighty St. Lawrence River, from the Tibbett's Point Lighthouse on Lake Ontario to the Thousand Islands International Bridge, and occupies approximately 190 square miles.

Preparing Students for College and Career

**STEM
Focused!**

Elementary schools in the villages of Cape Vincent and Clayton serve around 450 students in Grades K-5. Halfway between these two villages are the Sand Bay Campus, which houses grades 6-8 in the Middle School and grades 9-12 in the High School, each with its own faculty and programs. As a STEM Focused School, 75% of T.I.'s graduates further their education through the support of several enriched course offerings: Advance Placement (Biology, Chemistry, English, History, Mathematics, and Physics), 5 Pre-engineering courses sponsored by PLTW, Syracuse University Project Advanced English and Biology, and JCC EDGE courses in both Spanish and French, as well as in Sociology, Psychology and Business through the Distance Learning Lab. Also, several vocational programs are made available to students at the Bohlen Technical Center in Watertown.

Athletics

- **Fall Sports**
 - Football
 - Soccer (Boys/Girls)
 - Swimming (Girls)
 - Cheerleading
- **Winter Sports**
 - Basketball (Boys/Girls)
 - Volleyball (Girls)
 - Ice Hockey

- Yearbook

Students actively participate in a broad spectrum of student activities, which include musical and drama groups, publishing, student government, academic competitions, international travel, and interscholastic sports.

A professional staff of 115 includes the Superintendent of Schools, Business Manager, Elementary Principals, and Principal in both the Middle School and High School. Along with a highly trained and committed professional teaching staff, the District employs non-teaching staff to provide quality transportation, cafeteria services, maintenance, custodial, and clerical services that all support students and student programs.
