

DISTRICT GOALS FOR 2014-2015

1. Focus of Board of Education meetings - consistently schedule presentations that focus on instruction
 - i. Focus on instruction at each board meeting
 - ii. To continue to create a culture of collaboration between and among teachers by implementing a Student Centered Coaching approach facilitated by administration, and assigned District and Peer Coaches.
 - iii. To continue to implement the DDI (Data Driven Instruction) model and support teachers to adjust their instructional practices based on analysis of student progress.
 - iv. As a result of the prioritization of the TI curriculum audit. The grade K – 12 writing curriculum will be horizontally and vertically aligned
2. Maintain Policies and update Administrative regulations – contract Erie 1 BOCES to next level
3. Continue Capital Projects and Long Range Planning
4. Implementation of Olweus and Sources of Strength Programs
5. Quarterly reports to update Board of Education on Special Education and student instructional growth
